

VIRGINIA MICROELECTRONICS CONSORTIUM (VMEC) 2017 SCHOLAR INTERNSHIP PROGRAM

Undergraduate Summer Scholars Exchange Program

Virginia's best summer research program in microelectronics

May – August, 2017

VMEC has rapidly growing research and education opportunities in the field of microelectronics. If you are currently a junior or senior in a 4-year degree program at a university in Virginia, if you are a student at a community college in Virginia that has already been accepted to one of the participating 4-yr engineering schools, you are eligible to join us for a summer internship that will give you a hands-on, state-of-the-art research experience. The VMEC internship provides excellent technical knowledge as well as industrial and academic contacts for your career development.

Financial Benefits

- \$725 stipend per week for 12 or 13 weeks

Academic Benefits

- Research experience
- Guidance of mentor
- Hands on experience

Internship Requirements

- Must attend beginning of summer kick-off meeting and give introductory oral report
- Must work 12 or 13 weeks on project at location other than home school
- Must attend the early fall scholar presentation meeting and give an oral report or poster.

Application Process

- The VMEC Application process is all electronic.
- Email all application materials to vmec.scholars@gmail.com (pdf or Word format) (email references directly to vmec.scholars@gmail.com from senders original email address)

Application Information:

(website: <http://www.vmec-scholars.org>)

Application Deadline: **Nov. 9, 2016**. *Application period is now open through Nov. 9, 2016*

Strong preference is given to candidates with a 3.0 GPA or better.

Letter of recommendation required (from a technical mentor or professor is preferred).

Students should review the available project descriptions for each host VMEC location to select their preferred locations.

Final Decision: All candidates will be notified of final decisions by Dec 22, 2016

Participating Internship Locations:

- College of William and Mary
- Old Dominion University
- George Mason University
- Virginia Commonwealth University
- BAE Systems
- Virginia Tech
- Micron Technology
- University of Virginia
- Norfolk State University
